2. Characteristic spirit and general objectives of the school

Loreto College, Mullingar is a Catholic all girls voluntary secondary school with a Catholic ethos under the trusteeship of the Loreto Education Trust.

Loreto schools seek to provide an education that affirms the innate dignity of every human being created in God's image and fosters the full and harmonious development of each student, encompassing the intellectual, physical, cultural, moral and spiritual aspects in an environment of justice, freedom, sincerity, truth and joy.

The creation of a dynamic school community where every student is equally cherished and has a real sense of belonging is a priority in a Loreto school which draws its inspiration from Gospel values and

the rich heritage passed on to us from Mary Ward and Teresa Ball¹, and enshrined in our documents on Loreto Education, including Kolkata Educational Guidelines for Loreto Schools, Continuing the Journey: A Loreto Education and A Mary Ward Schools' Compass.

Students are encouraged to be reflective and discerning in the spirit of our Loreto and Ignatian tradition and continue to grow with integrity in right relationship with God, with other people and the environment. Our philosophy of holistic education places the person of the student at the centre of the educational enterprise which nurtures the student's capacity to "seek truth ... to love what is good ... to strive for excellence" (Teresa Ball) and joyfully engage with life-long self-directed learning in all its dimensions. In so doing, we are committed to preparing students to take their place in society as generous, confident, perceptive, well-informed, articulate and compassionate people ready to contribute to the common good.

Loreto schools welcome students of all faiths and of none while maintaining a Catholic ethos. Inter-faith and inter-cultural dialogue together with a spirit of inclusivity and the celebration of diversity are fostered in the school.

In harmony with our characteristic spirit and recognising that care of faith and education are fundamental to the Loreto tradition, Religious Education is central to our curriculum and the faith formation of Catholic students is supported by the school in accordance with the doctrines, practices and traditions of the Catholic Church. Each student's spiritual life is expressed and deepened through prayer, ritual in the cycle of the liturgical year, reflection on the profound link between faith and justice and creative engagement with the dialogue of faith and life communicated in nature, in science and in the arts.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of Loreto College, Mullingar shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.
