Dear 6th Class Student, Parents & Guardians,

We are excited to invite you and your daughters to our Open Evening on Thursday 3rd October at Loreto College Mullingar. This is a wonderful opportunity to learn more about the vibrant and inclusive environment we offer for girls, particularly as they begin this important chapter in their education.

Loreto College is committed to helping young women grow academically, socially, and personally. Grounded in the values of Mary Ward – **freedom, justice, sincerity, truth, and joy** – we strive to empower students to develop into confident, compassionate leaders. In addition to our strong academic programs, we take pride in offering a diverse range of extracurricular activities.

At Loreto, we nurture not just academic success, but also a passion for **sports and the arts**, with a special focus on **Sport and Music** as part of our holistic approach to education. We encourage every girl to explore her interests, discover new skills, and excel in all areas of school life.

Throughout our open night we aim to give insights into the benefits of an **all-girls education**, where students are encouraged to be leaders, build lasting friendships, and thrive in a supportive environment.

We look forward to meeting you and your daughter at our Open Evening. Should you have any questions and to book your preferred tour time, please contact us through the school office.

Our online applications will open via our website at 8am on Monday 14th October. Please do not hesitate to contact the school if you need any assistance with your application.

Yours sincerely

Olivia Callaghan

Principal
