Please note: Even if you have multiple children at the school, you only ever need one account per parent. In order to access VShare, you will just need a username and password. If it is your first-time logging into VShare, the school will give you:

Your unique **username**. For example this might be *L.Adams*

You create your own unique password via the login screen. Explanation on how to do this is below.

- If you don't yet have a password, click **Create or reset your password**
- Enter your username and the last 4 digits of your mobile number, hit **Send Code (it may take up to 30 minutes for code)**
- You will receive an SMS code on your mobile phone which you then enter, along with your new chosen password. Follow the instructions on screen and hit **Change Password**
